Excellence in Action!

August 4th, 2025

To Whom It May Concern,

I would like the opportunity to submit my letter of interest for a MI ACTE Board position. My name is Jennifer Fettig and I am currently a Director of Career Programming and Business Partnerships for Holly Area Schools. My past CTE experience has included 13 years as a High School CTE Marketing instructor, High School Counselor overseeing CTE programming and Career Counseling and High School administrator overseeing CTE programming, CTE county and State reporting while also assuring that State and County targets are met with fidelity.

I am extremely interested in being a member of the MI ACTE Board to give back and share my expertise and experiences over the last 29 years of CTE and Career Readiness background. I would also love the opportunity to assist in facilitating State events and conferences that help highlight the importance of Career Readiness and CTE for all students! I am extremely knowledgeable in CTE programming, staffing, professional development around Career Readiness while also being well versed in Elementary and Middle School Career Readiness implementation strategies.

Thank you for your consideration.

Best Regards,

Jennifer Fettig
