MI ACTE Board Member Selection Committee:

Hi! I am Kellie Greener and currently serve as the CTE Director at Sault Area High School and Career Center in the beautiful Upper Peninsula. I would love to be considered for one of the open board member positions.

Last year, I completed my first year as a CTE building administrator after being a business educator for six years. It was a whirlwind of a year, but I have learned so much and I am excited to continue learning and growing within this role. This board member position would help me to continue that learning journey and connect with other passionate CTE educators and supporters.

My journey in CTE started in high school and is far from over. I would love this opportunity to connect and engage within the CTE community so that we can continue highlighting all the wonderful students and educators in CTE across our state and our nation.

Please consider selecting me so that I can continue making positive impacts throughout my CTE journey.

Thank you so much for your consideration!
